

## **Demo Bikes**

Looking for a new mountain bike but you're unsure what you want? Don't believe the hype about the 29'er revolution? Well stop in and take one of our new DEMO BIKES for a ride. We offer two bikes, the Edict Nine 60 and the Nine 60 from Felt. The Edict Nine is a trail 29'er set up with 100mm of travel front and rear, SRAM X5 2x10 and Tektro Draco hydraulic brakes. The Nine 60 is Felt's 100mm hardtail trail bike equipped with Shimano Deore 3x9 drivetrain and Tektro Draco hydraulic brakes. Stop in and take one of these bad boys for a spin on your favorite trail, or demo one on Tuesday night and ride with the boys from the shop at 6pm.
